GREENATOPIA REAL ESTATE

Los Árboles Tulum is a Mayan Jungle Hideaway – a master planned gated and secure residential community located just minutes from the magnificent beaches of Tulum. There you will find Casa de los Sueños, an amazing custom built 5 bedroom 5 bathroom home with a private pool and waterfall. This beautiful off grid solar home for sale sits within a 1200 acre eco-preserve on its own private 5 acre lot. This environmentally responsible and affordable oasis has been designed to protect and preserve the pristine high-canopy jungle. With permeable roads, alternative energy, use of local & naturally harvested materials, green areas and easy access to the beautiful and thoughtfully designed community amenities, this development is a dream home site for the eco conscious.

The community centre sits on its own 19 acres and boasts plenty of entertainment areas for residents. Truly a one of a kind place to live!

Green Aspects:

- **48 volt solar system with 27 solar panels**
- **Solar powered pool pump, independent of the house system**
- **Water softener and filtration system with reverse osmosis**
- **Fully self contained septic system with Pirana Systems, with extra tank**
- **Rain catchment, along with community supply direct to house?**
